

## OUT-BEAM

outdoor wall light, LED, 3000K, beam up/flood down, anthracite

Article number	229665
Feed-in capability	No
Lamp included	Yes
Width	15 cm
Height	15 cm
Depth	15.8 cm
Net weight	1.555 kg
Gross weight	1.79 kg
Voltage	120-277~50/60 . 500 Volts
Protection class	I
IP-rating	IP 44
Beam angle	80 Degree
Material	Aluminium/glass
Colour	anthracite
Way of mounting	Surface wall mounting
Average lifespan	25000 Hours
Colour temperature	3000 Kelvin
Colour rendering index	80
Luminous flux	740 lm
Energy efficiency class	A++
Catalogue page	BIG WHITE 2018: 757

The OUT BEAM series LED wall light, available in single-headed and double-headed versions, was designed especially as an architectural accent illumination. The LED light sources lie opposite each other and are covered by glass, they produce a narrow and a wide beam respectively and thus create the special up/down effect. Thanks to its IP44 protection class, the luminaire is suitable for outdoor use. The electrical connection of the luminaire is made directly to the 230V mains supply thanks to the built-in LED driver. The OUT BEAM series also includes wall lights for halogen lamps.
