In the SLOTS 65 floor stand made from aluminium, the incorporated Philips Fortimo LED disk module generates an indirectly radiating, warm white light. With protection class IP44, it is suitable for outdoor use. As an option, a screw set as well as a connection box for safe electrical connection is available within the round bollard. A concrete anchor set is included. This luminaire contains built-in LED lamps. EEL A - A++ The lamps in the luminaire cannot be replaced.
