Net weight	0.225 kg
Gross weight	0.271 kg
Way of mounting	Recessed mounted / Inground
Colour	Stainless steel
Light distribution type 1	diffuse
Material	Stainless steel 304/acrylic glass

The PHOTONIA floor stand is made of aluminium and clear glass which completely encloses the lamp. Thanks to the position of the built-in socket, the mounted luminaire produces a homogeneous cone of light and is ideal for use as a pathway light. As an option, a concrete anchor and connection box are available. With protection class IP55, it is suitable for outdoor use. The electrical connection is made directly to the 230V mains supply. This luminaire is compatible with bulbs of the energy classes: E - A+
