231465 C-POL WALL, outdoor wall light, TC-(D,H,T,Q)SE, IP54, anthracite, max. 24W

The C-POL series floor stand made from aluminium provides glare-free illumination by the construction of the incorporated grid. It is suitable for use outdoors thanks to its IP44 protection class. The C-POL series also contains a wall light and can therefore be used universally. As an option a connection box for safe electrical connection to the round luminaire upright, is available. The connection of the luminaire is made to the 230V mains supply. This luminaire is compatible with bulbs of the energy classes: A - A+
