

E4211L- Compact Outdoor Wall Spotlight - Stainless Steel - 12v MR16

Description

E4211L Elipta compact outdoor wall spotlight is an adjustable 12v wall or post mount spotlight for downlighting and accent lighting focal points. 12v models operate from a remote transformer. These garden spotlights take a range of Led lamps to achieve a variety of garden lighting effects. 3 watt lamps are usually ideal for downlighting from a pergola or in a gazebo; 5 watts is an optimum choice for many accent lighting applications to pick out individual features. 3w or 5w led lamp provides a low energy option for lighting smaller subjects. It has a flush lens which sheds water and dirt and is easy to clean.
