

## Elipta E6431S- Pole Spot Duo – Black - 12v

### Description

Elipta E6431 12v Pole Spot Duo is a pole-mounted twin spotlight ideal for uplighting trees and taller shrubs from amongst medium-height planting. It is also good for spotlighting features at ground level or washing light across a lawn, path or gravel area. It is fully adjustable, weatherproof to IP65 and fitted with a 1.5m heavy duty rubber cable.

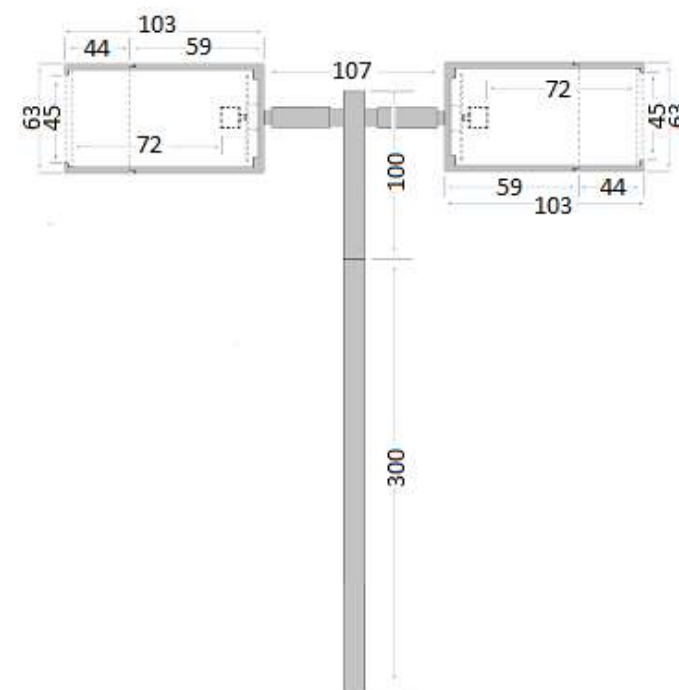

It accepts MR16 LED lamps up to 7 watts, with space inside for an E4009 honeycomb glare louvre or a variety of clip-on filters.

Pole Spot Solo is supplied with the standard E6001 polycarbonate spike. The high-stability E6002 Tri-Spike which provides firm positioning in loose soils is suggested when using the optional E6011 30cm extension pole the height may be increased to 70cm. Order required spike mount separately.

<b>Colour/ Finish</b>	Black Textured Powder Coated Pre-treated Aluminium.
<b>Exterior Dimensions</b>	103mm x 63mm, not including 400mm pole.
