

EH8453LED-650- Matrix Bollard Light - Graphite

Description

The Matrix 240v bollard light has a built in 5w warm white LED in the top of the fitting to give you unique 1.6m defined radius of glare free lighting along paths, driveways and around decking and terraces. The bollard may be bolted to paving, decking, (anchors supplied), fixed into wet concrete or soft ground with an optional ground-spike (purchase separately).

Electrical	240v 5w LED with a 360° beam angle 3000k and 356lm
Colour/ Finish	Graphite Grey powder-coated aluminium
Exterior Dimensions	650mm tall x 108mm wide

Pre-wired with 2m rubber cable for connection via T9969 underground joint kit: the installer may shorten the fitted cable to make a weatherproof connection inside the base of the light.

Using a single RCD for large numbers of 240v fittings is not recommended due to the risk of nuisance tripping. We advise the use of separate RCD protection for each circuit and a maximum of 12 fittings per RCD.

2 YEAR WARRANTY

Powder coated aluminium body & fitting

Exclusions: Damage by machinery, animals or the use of incorrect cleaning materials. Corrosion due to exposure to salt or chlorine. Damage due to incorrect installation practices. Responsibility for 3rd party cost; indirect or consequential loss
