

E8700FLN Modula Frosted Lens

Our Modula Flush Frosted Lens diffuses light while also hiding the shape of the lamp in daylight. For use in all of our Modula recessed lights.

PHYSICAL DATA

- Made from toughened Borosilicate glass.
- Frosted lens finish.

INSTALLATION

- To install simply unscrew the bezel and remove existing lens and replace with E8700FLN, make sure the side of the lens with the glass protruding is facing up otherwise the lens will not fit.

COMPLIANCE & WARRANTY

- 2-Year warranty.
- CE / RoHS Compliant.
