

## Elipta EH2771-LED - Manzi Outdoor Wall Light - Warm White - Round - Stainless Steel

### Description

The Elipta Manzi 240v Round recessed steplight gives you a glare free light onto steps, patios and paths with flanking walls. With its 64° beam angle and mounted 500mm above the ground the fitting gives you a 2 metre radius of useful light, perfect for lighting most paths and steps. The light is located by two spring clips on the body into the sleeve tube so that no external screw fixings are visible.

<b>Electrical data</b>	240v, 3w 54 Lumens. 3000k. 64° beam angle
<b>Colour/ Finish</b>	304 Grade Stainless Steel top with an Aluminium body.
<b>Exterior Dimensions</b>	95mm x 81mm.

### Installation guidelines

The plastic sleeve is built into the wall during construction or retrofitted into a hole cut with a coring bit the light pushes into the tube, where it is held firmly in place by spring clips, leaving a front plate with no visible fixing screws. Recess depth 81mm.

Using a single RCD for large numbers of 240v fittings is not recommended due to the risk of nuisance tripping. We advise the use of separate RCD protection for each circuit and a maximum of 12 fittings per RCD.
